

How to Report a Lost or Stolen Computer/Device

If your desktop, laptop, or mobile device has been lost or stolen report the incident to the local police department and get take note of the report number.

If the stolen or lost device was issued by the University, you should then report the event to UCDH Information Technology (IT) Department by calling 916-734-4357 and also report the incident to UC Davis Health Campus Police by calling 916-734-2555. If the incident occurred on the UC Davis Campus contact the UC Davis Police Department at 530-752-1727.
