

I am missing folders in the file share. How do I make them show up?

Requirements

1. Sync Center must be disabled.
2. Admin privileges are required.

Procedure

1. Open the **Control Panel (All Items view)**, and click on the Sync Center icon.
2. In the left pane, click on the **Manage offline files** link.
3. Click on the **Disable offline files** button.
4. If prompted by UAC (User Account Control), then click on **Yes**.
5. Click on **OK**.
6. Click on **Yes** to restart the computer.
